A poster for Red Flag Reporting. It features a large red curved banner across the middle. The text on the banner reads "Because Every Employee Deserves to Feel Protected and Safe." The background shows a diverse group of smiling employees. In the bottom left, there is a photo of a woman wearing a headset, likely a call center representative. The top left corner has the "Red Flag Reporting" logo. The main text encourages reporting concerns safely, securely, and anonymously 24/7, and lists examples of reportable issues: fraudulent activity / theft, misconduct, safety violations, and unethical behavior. It also provides contact information for reporting, including a website and a phone number.

\* Change Request Details:

I am requesting to rebudget funds allocated to subcontracts to purchase a tissue homogenizer, ~\$6,700.

\* Justification:

The remaining experiments require a greater degree of T cells to be recovered from tumors and lymph node tissues than possible from our past animal cohorts. For this reason, we require the equipment purchase of a homogenizer.

## Q & A

---

# No Cost Extensions (NCE)

# NCE

- For No Cost Extensions (NCEs) where the grantee is requesting more than a 6-month NCE, the justification should include the increased number of months in the first sentence.

# NCE

---

- No Cost Extensions- Decisions regarding NCE are based on several factors including the documentation of progress and documentation that the work proposed for the NCE is consistent with the initial award.
- CPRIT will not approve a NCE without a PI level of effort appropriate to scope of work being conducted

P&P Guide Reference:  
13.3.1 NCE Eligibility  
5.5.8 Personnel Level of Effort Form

# NCE

- If you receive a no-cost extension, you must complete a PLOE for the extension time period
- For NCE's, the final report date changes but an additional annual report is required as well as quarterly reports until the end of the contract
