

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

REAL MOMENTUM **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. Established by the Texas Legislature, our three-fold mission is:

Invest in the research prowess of Texas universities and research organizations

- ▶ 281 stellar researchers and their labs recruited to Texas research entities
- ▶ Texas achieved 3 NCI comprehensive cancer centers - previously only MD Anderson Cancer Center
- ▶ \$2.506 billion in direct follow-on funding raised by CPRIT grantees
- ▶ 73 CPRIT core facility awards and renewals to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Texas & creating high-quality jobs

- ▶ 52 companies started, expanded, or brought to Texas with CPRIT investment totaling \$580 million
- ▶ 38 CPRIT-funded companies have established connections to Texas academic institutions
- ▶ \$1.34 billion total expenditures statewide in 2021
- ▶ \$55.4 million annual state and local tax collections
- ▶ \$5.15 billion (9 to 1) direct follow-on funding raised by CPRIT companies
- ▶ Over 9,228 permanent jobs created in 2021 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 40,165 patients in 228 clinical trials or studies statewide
- ▶ \$327 million in grants awarded for 274 prevention projects in all 254 Texas counties
- ▶ 28,206 cancer precursors and 4,653 cancers detected in Texas
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 11 percent of CPRIT's portfolio goes to childhood cancer projects - proportionately 3 times more than national commitment

Follow-on Funding Success

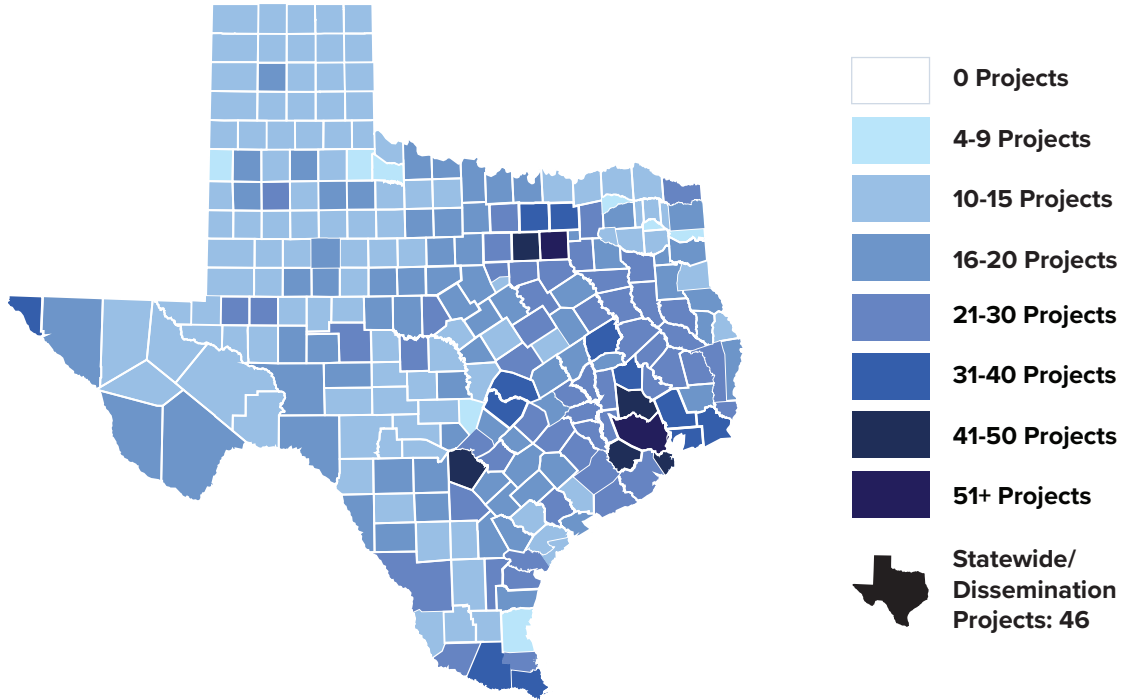

CPRIT-funded academic research grantees and companies raised \$7.66 billion in follow-on funds, exceeding contracted awards by \$4.81 billion
