

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

REAL MOMENTUM MEASURABLE RESULTS

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. Houston-area benefits include:

Investing in the research capabilities of Houston-area research entities

- ▶ \$1.36 billion in grants awarded to 12 Houston-area research entities
- ▶ 153 stellar researchers and their labs recruited to Houston-area research entities
- ▶ \$1.89 billion in direct follow-on funding raised by Houston-area CPRIT grantees
- ▶ Baylor College of Medicine achieved NCI comprehensive cancer center status – joining The University of Texas MD Anderson Cancer Center
- ▶ 37 CPRIT core facility awards and renewals in the Houston area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Houston & creating high-quality jobs

- ▶ 35 companies started, expanded, or brought to the Houston area with CPRIT investment totaling \$374 million
- ▶ 40 grants that established connections between companies and Houston-area academic institutions
- ▶ \$1.21 billion total expenditures statewide in 2022
- ▶ \$49.4 million annual state and local tax collections
- ▶ \$2.8 billion (7 to 1) direct follow-on funding raised by CPRIT companies
- ▶ Over 7,840 permanent jobs created in 2022 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 42,296 patients in 156 clinical trials or studies in the Houston area
- ▶ \$355 million in grants awarded for 291 prevention projects in all 254 Texas counties
- ▶ 35,374 cancer precursors and 5,166 cancers detected in Texas
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 12 percent of CPRIT’s portfolio goes to childhood cancer projects – proportionately 3 times more than national commitment

Follow-on Funding Success

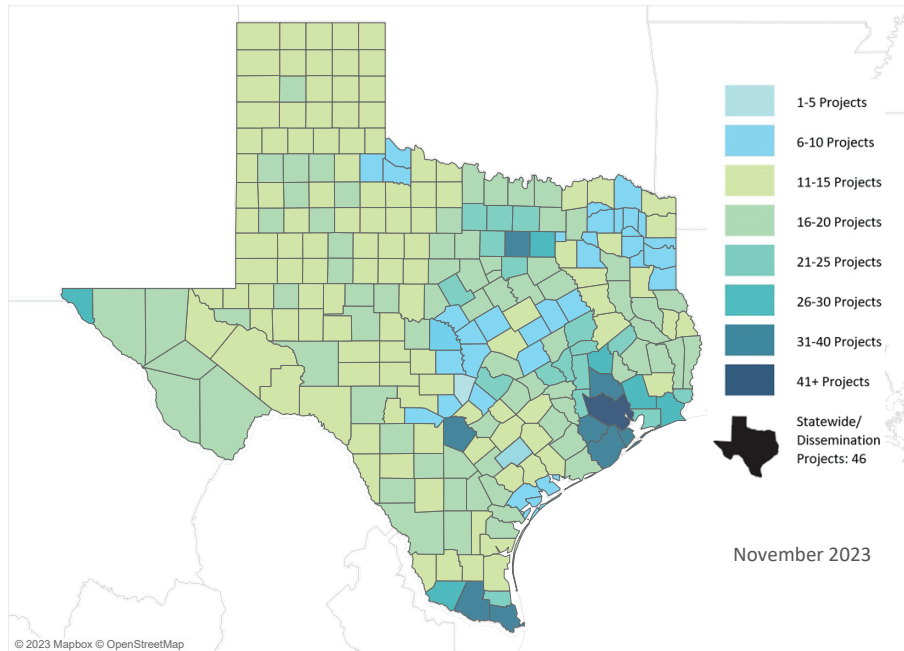

CPRIT-funded academic research grantees and companies in the Houston area raised \$4.66 billion in follow-on funds, exceeding contracted awards by \$3.47 billion

Prevention Services

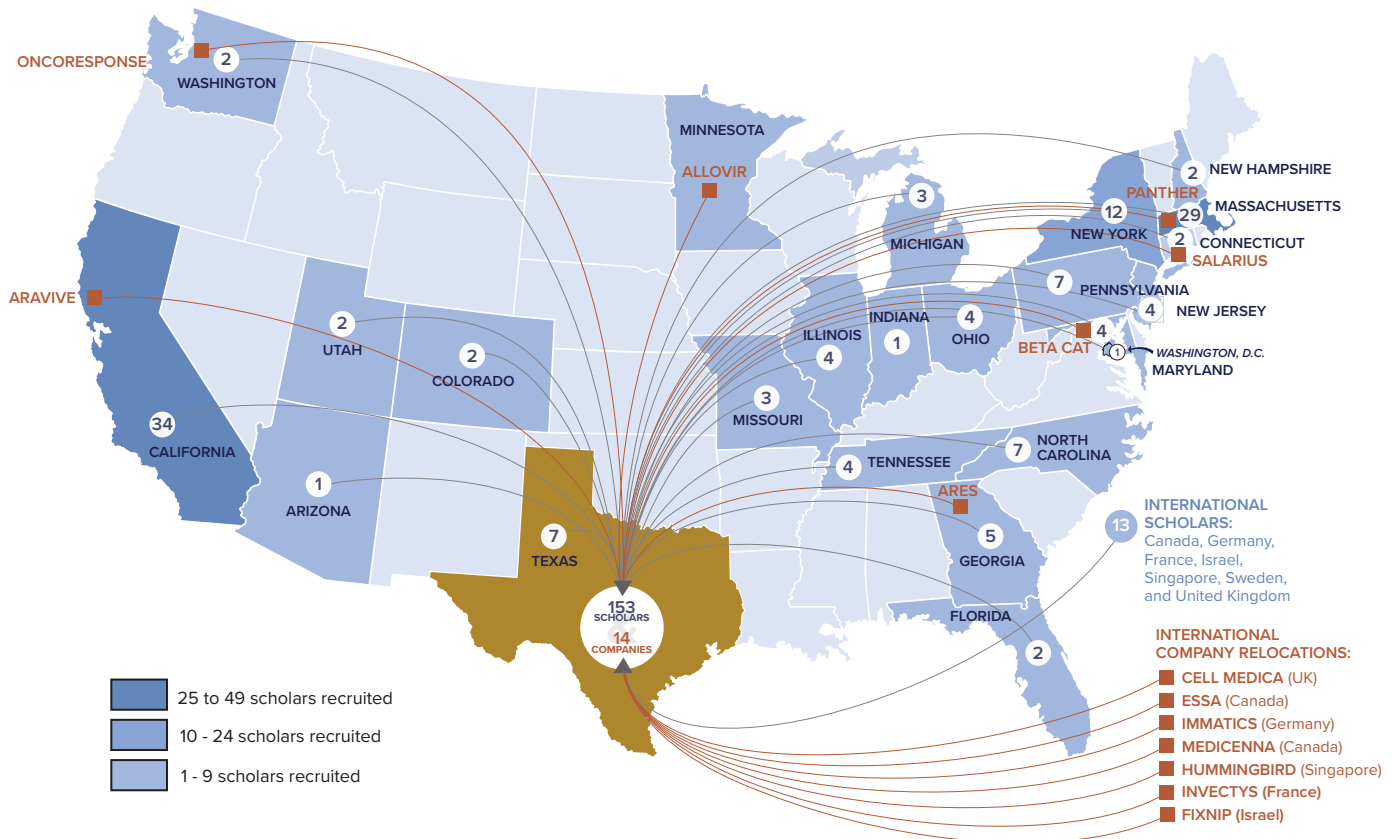

CPRIT grants helped deliver 9.3 million prevention services to Texans in all 254 counties

Counties of Residence of People Served by CPRIT Prevention Projects

Scholars & Companies

CPRIT enabled the recruitment of 153 scholars and 14 companies to Houston
