

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

REAL MOMENTUM  **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. **Metroplex-area benefits include:**

Investing in the research capabilities of Metroplex-area research entities

- ▶ \$630 million in grants awarded to 9 Metroplex-area research entities
- ▶ 100 stellar researchers and their labs recruited to Metroplex-area research entities
- ▶ \$690 million in direct follow-on funding raised by Metroplex-area CPRIT grantees
- ▶ UT Southwestern Medical Center achieved NCI comprehensive cancer center status
- ▶ 10 CPRIT core facility awards and renewals in the Metroplex area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to the Metroplex & creating high-quality jobs

- ▶ 10 companies started, expanded, or brought to the Metroplex with CPRIT investment totaling \$95 million
- ▶ 13 grants to companies with established connections to Texas research institutions
- ▶ \$1.21 billion total expenditures statewide in 2023
- ▶ \$1.86 billion annual state and local tax receipts
- ▶ \$2.06 billion direct follow-on funding raised by CPRIT companies in the Metroplex
- ▶ Over 7,377 permanent jobs created in 2023 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 5,575 patients in 68 clinical trials or studies in the Metroplex
- ▶ \$381 million in grants awarded for 303 prevention projects in all 254 Texas counties
- ▶ 43,225 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers in Texas
- ▶ 12 percent of CPRIT's portfolio goes to childhood cancer projects - proportionally 3 times greater than federal commitment

Follow-on Funding Success

CPRIT-funded academic research grantees and companies in the Metroplex raised \$2.75 billion in follow-on funds, exceeding contracted awards by \$2.02 billion

Prevention Services

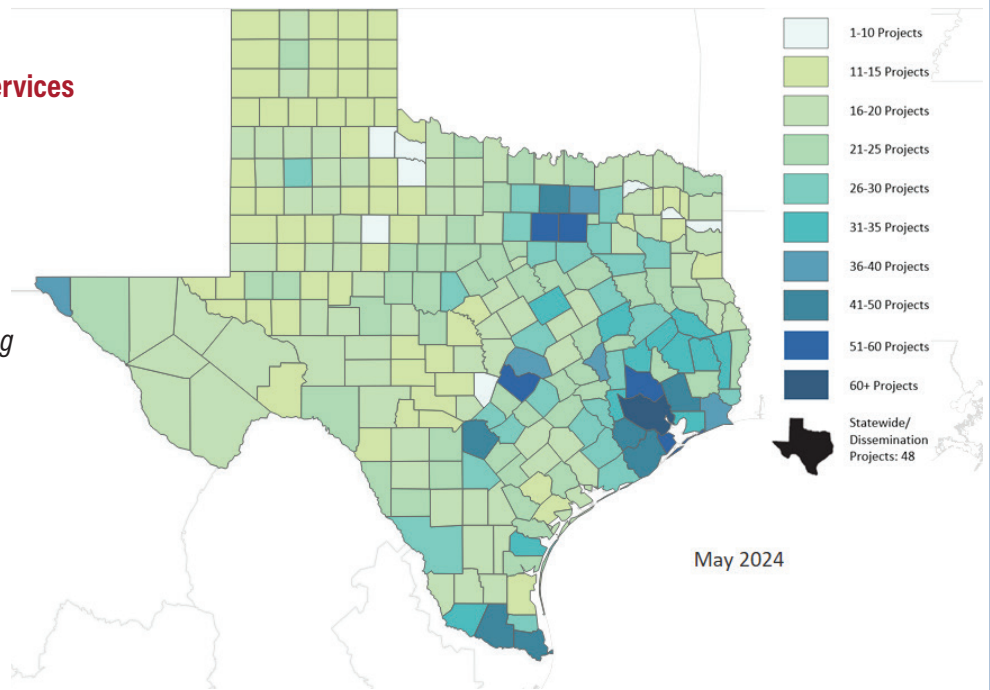

CPRIT grants helped deliver 9.7 million prevention services to Texans in all 254 counties

Including:

5.9 million Education & Training Services

3.8 million Clinical Services:

- ▷ Vaccinations
- ▷ Tobacco Cessation
- ▷ Screening: breast, cervical, colorectal, and lung
- ▷ Genetic testing and counseling
- ▷ Survivor care

Scholars Recruited

CPRIT has enabled the recruitment of 100 scholars to the Metroplex
