

CANCER PREVENTION & RESEARCH
INSTITUTE OF TEXAS

REAL MOMENTUM  **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. **Houston-area benefits include:**

Investing in the research capabilities of Houston-area research entities

- ▶ \$1.46 billion in grants awarded to 12 Houston-area research entities
- ▶ 164 stellar researchers and their labs recruited to Houston-area research entities
- ▶ \$2.26 billion in direct follow-on funding raised by Houston-area CPRIT grantees
- ▶ Baylor College of Medicine achieved NCI comprehensive cancer center status – joining The University of Texas MD Anderson Cancer Center
- ▶ 42 CPRIT core facility awards and renewals in the Houston area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Houston & creating high-quality jobs

- ▶ 39 companies started, expanded, or brought to the Houston area with CPRIT investment totaling \$394.1 million
- ▶ 42 grants to CPRIT-funded Houston area companies with connections to Texas research institutions
- ▶ \$1.21 billion total expenditures statewide in 2023
- ▶ \$1.86 billion annual state and local tax receipts
- ▶ \$2.8 billion (7 to 1) direct follow-on funding raised by CPRIT companies
- ▶ Over 7,377 permanent jobs created in 2023 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 49,328 patients in 148 clinical trials or studies in the Houston area
- ▶ \$381 million in grants awarded for 303 prevention projects in all 254 Texas counties
- ▶ 44,751 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 13 percent of CPRIT’s portfolio goes to childhood cancer projects – proportionally 3 times greater than federal commitment

Follow-on Funding Success

CPRIT-funded academic research grantees and companies in the Houston area raised \$5.07 billion in follow-on funds, exceeding contracted awards by \$1.86 billion

Prevention Services

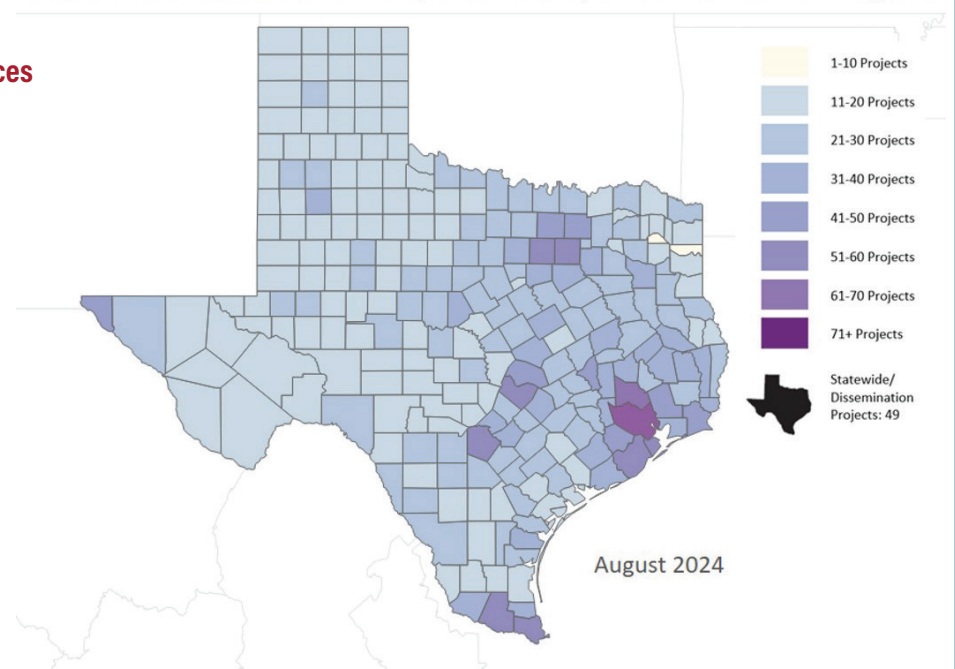

CPRIT grants helped deliver 9.9 million prevention services to Texans in all 254 counties

Including:

6.1 million Education & Training Services

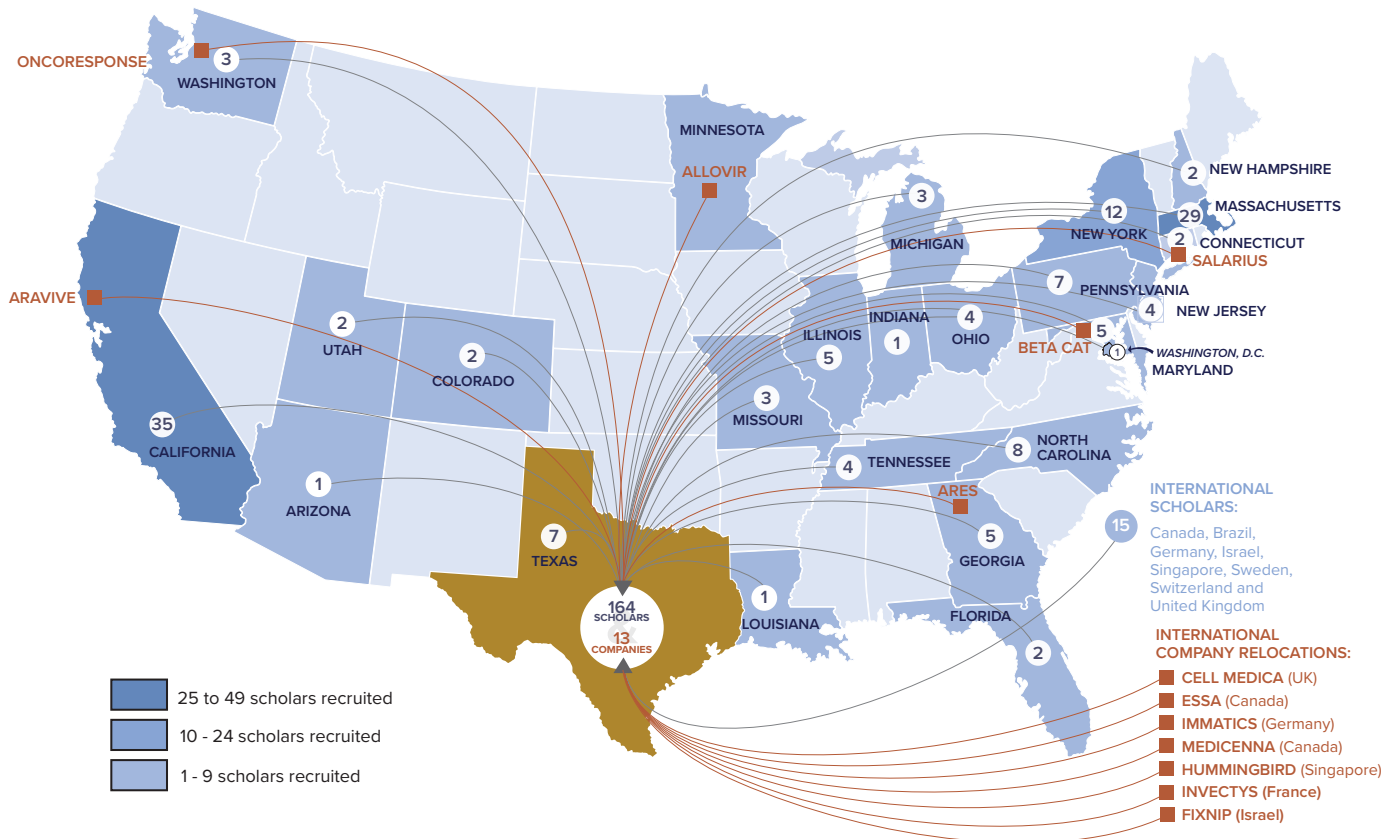

3.8 million Clinical Services:

- ▷ Vaccinations
- ▷ Tobacco Cessation
- ▷ Screening: breast, cervical, colorectal, and lung
- ▷ Genetic testing and counseling
- ▷ Survivor care

Scholars & Companies

CPRIT enabled the recruitment of 164 scholars and 13 companies to Houston from around the world
