

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

REAL MOMENTUM **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. Established by the Texas Legislature, our three-fold mission is:

Invest in the research prowess of Texas universities and research organizations

- ▶ 324 stellar researchers and their labs recruited to Texas research entities with \$943.5 million in CPRIT support
- ▶ Texas achieved 3 NCI comprehensive cancer centers - previously only MD Anderson Cancer Center
- ▶ \$3.5 billion in direct follow-on funding raised by CPRIT research grantees
- ▶ 82 CPRIT core facility awards and renewals to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Texas & creating high-quality jobs

- ▶ 74 companies started, expanded, or brought to Texas with CPRIT investment totaling \$777.8 million
- ▶ 84 product development grants with established connections to Texas academic institutions
- ▶ \$718 billion (9 to 1) direct follow-on funding raised by CPRIT companies
- ▶ \$1.29 billion total expenditures generated by CPRIT activities statewide in 2024
- ▶ \$2.15 billion annual state and local tax receipts
- ▶ Over 7,640 permanent jobs created in 2023 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 59,218 patients in 306 clinical trials or studies statewide
- ▶ \$394.1 million in grants awarded for 311 prevention projects in all 254 Texas counties
- ▶ 46,480 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 13 percent of CPRIT's portfolio goes to childhood cancer projects - proportionally 3 times greater than federal commitment

Follow-on Funding Success

CPRIT-funded academic research grantees and companies raised \$10.66 billion in follow-on funds, exceeding contracted awards by \$7.32 billion
