

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

REAL MOMENTUM **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. **Houston-area benefits include:**

Investing in the research capabilities of Houston-area research entities

- ▶ \$1.6 billion in grants awarded to 12 Houston-area research entities
- ▶ 181 stellar researchers and their labs recruited to Houston-area research entities
- ▶ \$2.7 billion in direct follow-on funding raised by Houston-area CPRIT research grantees
- ▶ Baylor College of Medicine achieved NCI comprehensive cancer center status – joining The University of Texas MD Anderson Cancer Center
- ▶ 52 CPRIT core facility awards and renewals in the Houston area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Houston & creating high-quality jobs

- ▶ 46 companies started, expanded, or brought to the Houston area with CPRIT investment totaling \$500 million
- ▶ 49 grants to CPRIT-funded Houston area companies with connections to Texas research institutions
- ▶ \$1.38 billion total expenditures statewide in 2025
- ▶ \$2.57 billion annual state and local tax receipts
- ▶ \$3.7 billion (7 to 1) direct follow-on funding raised by CPRIT-funded Houston companies
- ▶ 8,144 permanent jobs created in 2025 in Texas

Expedite innovation breakthroughs in prevention and cures across Texas

- ▶ 58,794 patients in 243 clinical trials or studies
- ▶ \$434 million in grants awarded for 332 prevention projects in all 254 Texas counties
- ▶ 58,507 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 13 percent of CPRIT's portfolio goes to childhood cancer projects—a significant commitment helping drive meaningful research advances

Follow-on Funding Success

CPRIT-funded academic research grantees and companies in the Houston area raised \$6.46 billion in follow-on funds, exceeding contracted awards by more than \$4.33 billion
