

CANCER PREVENTION & RESEARCH  
INSTITUTE OF TEXAS

**REAL MOMENTUM**  **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention, and product development projects. **Metroplex-area benefits include:**

**Investing in the research capabilities of Metroplex-area research entities**

- ▶ \$701 million in grants awarded to 9 Metroplex-area research entities
- ▶ 112 stellar researchers and their labs recruited to Metroplex-area research entities
- ▶ \$834 million in direct follow-on funding raised by Metroplex-area CPRIT research grantees
- ▶ UT Southwestern Medical Center achieved NCI comprehensive cancer center status
- ▶ 15 CPRIT core facility awards and renewals in the Metroplex area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

**Expand life science infrastructure by attracting companies to the Metroplex & creating high-quality jobs**

- ▶ 12 companies started, expanded, or brought to the Metroplex with CPRIT investment totaling \$123 million
- ▶ 16 grants to companies with established connections to Texas research institutions
- ▶ \$1.38 billion total expenditures statewide in 2025
- ▶ \$2.57 billion annual state and local tax receipts
- ▶ \$2.23 billion direct follow-on funding raised by CPRIT-funded companies in the Metroplex
- ▶ 8,144 permanent jobs created in 2025 in Texas

**Expedite innovation breakthroughs in prevention and cures across Texas**

- ▶ 10,081 patients in 106 clinical trials or studies in Metroplex area
- ▶ \$434 million in grants awarded for 332 prevention projects in all 254 Texas counties
- ▶ 56,719 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers in Texas
- ▶ 13 percent of CPRIT's portfolio goes to childhood cancer projects - proportionally 3 times greater than federal commitment

**Follow-on Funding Success**

CPRIT-funded academic research grantees and companies in the Metroplex raised \$3.06 billion in follow-on funds, exceeding contracted awards by \$2.24 billion

# Prevention Services

CPRIT grants helped deliver 11.5 million prevention services to Texans in all 254 counties

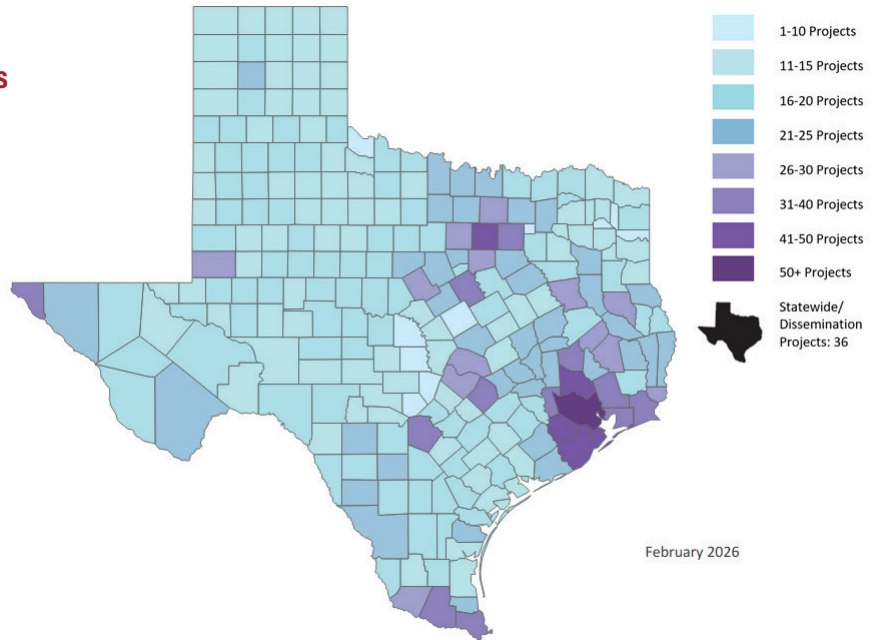

**Including:**

**4.3 million Education & Training Services**

**2.8 million Navigation Services**

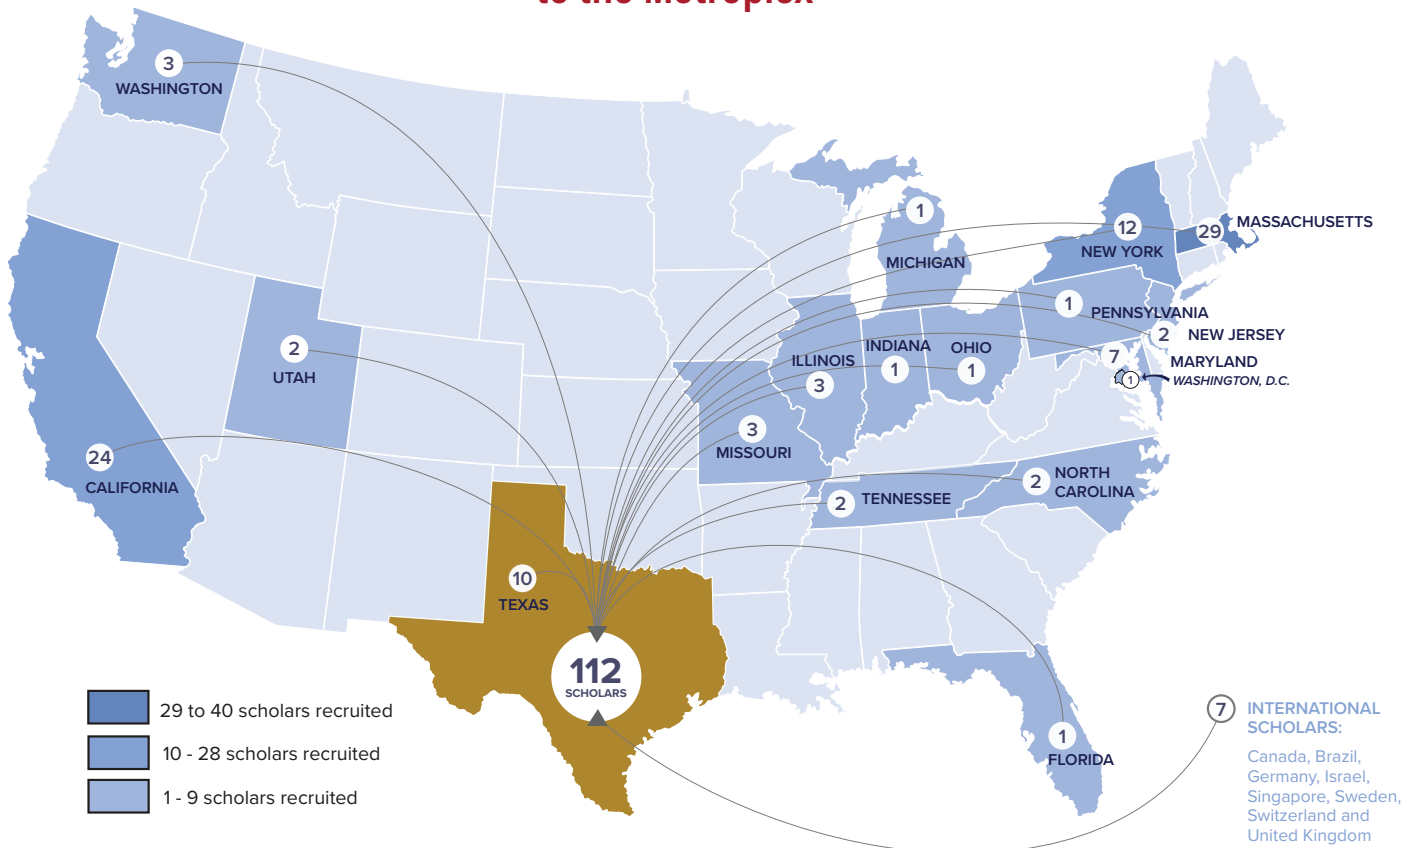

**4.3 million Clinical Services:**

- ▷ Vaccinations
- ▷ Tobacco Cessation
- ▷ Screening: breast, cervical, colorectal, and lung
- ▷ Genetic testing and counseling
- ▷ Survivor care

# Scholars Recruited

CPRIT has enabled the recruitment of 112 scholars to the Metroplex
