

## CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

### **REAL MOMENTUM** **MEASURABLE RESULTS**

**T**he Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. **Houston-area benefits include:**

#### *Investing in the research capabilities of Houston-area research entities*

- ▶ \$1.56 billion in grants awarded to 12 Houston-area research entities
- ▶ 178 stellar researchers and their labs recruited to Houston-area research entities
- ▶ \$2.5 billion in direct follow-on funding raised by Houston-area CPRIT grantees
- ▶ Baylor College of Medicine achieved NCI comprehensive cancer center status – joining The University of Texas MD Anderson Cancer Center
- ▶ 49 CPRIT core facility awards and renewals in the Houston area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

#### *Expand life science infrastructure by attracting companies to Houston & creating high-quality jobs*

- ▶ 41 companies started, expanded, or brought to the Houston area with CPRIT investment totaling \$421.2 million
- ▶ 47 grants to CPRIT-funded Houston area companies with connections to Texas research institutions
- ▶ \$1.29 billion total expenditures statewide in 2024
- ▶ \$2.15 billion annual state and local tax receipts
- ▶ \$3.4 billion (8 to 1) direct follow-on funding raised by CPRIT companies
- ▶ Over 7,640 permanent jobs created in 2024 in Texas

#### *Expedite innovation breakthroughs in prevention and cures*

- ▶ 54,946 patients in 205 clinical trials or studies in the Houston area
- ▶ \$407 million in grants awarded for 317 prevention projects in all 254 Texas counties
- ▶ 52,672 cancers and cancer precursors detected by CPRIT-funded prevention projects
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 13 percent of CPRIT's portfolio goes to childhood cancer projects – proportionally 3 times greater than federal commitment

### **Follow-on Funding Success**

CPRIT-funded academic research grantees and companies in the Houston area raised \$5.83 billion in follow-on funds, exceeding contracted awards by \$3.85 billion

**\$1.98 B**
